 20232 ,MAROC CASABLANCA

## PROFESSIONAL PROFILE

Motivated and results-driven fifth-year student pursuing a degree in IT and network engineering with a specialization in MIAGE. I have a strong academic background and a passion for solving complex problems. Eager to leverage my educational foundation and hands-on experience to contribute to the dynamic and innovative field of information technology, particularly in mobile app development. Adept at collaborating with cross-functional teams and maintaining a focus on efficiency and excellence in all tasks. Actively seeking a 6-month internship opportunity in mobile development to apply my technical expertise and thrive in a challenging and fast-paced environment.

## SKILLS

- **Programming Languages:** Flutter , C++, C# • **Development Tools - Databases:** SQL Server • **IDE :** Android Studio, Eclipse, Visual Studio, JEE ,JavaScript, PHP, C, Python MySQL, Oracle, MongoDB, Firebase. Visual Studio Code, PyCharm, PhpStorm.
- **Web Technologies:** HTML5, CSS, Node.js • **Big Data :** Hadoop, HDFS. • **Graphic Design :** Adobe Photoshop, Adobe Illustrator.
- ReactJs , ASP.net, ADO.net.

## PROFESSIONAL EXPERIENCES

### Graphic Component Development for a Low-Code/No-Code Platform

Software Developer • 7/2022 - 8/2022

- *Design and implementation of Vue.js components for non-advanced programming use.*
- Seamless integration of the components into a low-code/no-code platform.
